* Has this manuscript been submitted previously to this journal?

☐ Yes

✓ ☒ No

If yes, what is the manuscript ID of the previous submission?

Confirm the following:

✓ * Confirm that the manuscript has been submitted solely to this journal and is not published, in press, or submitted elsewhere.

* Has your paper previously been submitted to the AER or AER: Insights, and if yes, would you like to request the materials from your previous review be forwarded to the AEJ editors?

☐ Yes

✓ ☒ No

If yes, please provide the AER or AER: Insights manuscript number and coeditor who handled your paper. If you choose to ask the AEJ editor to use the previous referee reports and correspondence, it is not necessary to change your paper in response to the referee comments at this stage. However, if you do change it, also separately upload the original version of the paper that was sent to the AER or AER: Insights and a letter detailing the changes you made and choose the file designation 'Misc. (for review).'

If yes, is the manuscript you are submitting identical to the original AER/AERI manuscript or has it been revised?

Editor Preference

Your submission will be assigned to the AEJ: Policy editor or a (co)editor. You may suggest one or more (co)editors below if you wish. AEJ: Policy will try to follow your suggestion, but cannot guarantee it will do so. (Note: Members of the Board of Editors are not eligible for this role.)

* **Conflict Of Interest**

* Please refer to the conflict-of-interest section of the journal's editorial policy (<https://www.aeaweb.org/journals/pol/about-pol/editorial-policy>). As far as you are aware, does any current coeditor present a conflict based on this policy?

☐ Yes

☒ No

If yes, please briefly explain the conflict below.

*** Artificial Intelligence**

***** To help us understand how authors are or are not using artificial intelligence (AI), please answer the following question. Did you use AI software, such as chatbots or other large language models, in the preparation of the manuscript, including drafting or editing text?

Yes

☒ No

If yes, please briefly describe the purpose for which AI software was used and which parts of the manuscript were affected.

***** Does this submission contain empirical work, simulations, or experimental work?

☒ Yes

No

If yes, please answer questions below:

Will you be able to provide all code (programs) associated with the computations referenced in the manuscript?

☒ Yes

No

Is any of the data used in this manuscript subject to access restrictions?

Yes

☒ No

I have read the AEA Data and Code Availability Policy (<https://www.aeaweb.org/journals/policies/data-code>) and understand my commitments under that policy.

☒ Yes

No

If my manuscript is accepted for publication, I will provide as part of the replication package a README conforming to AEA standards (<https://social-science-data-editors.github.io/guidance/template-README.html>) and the README will contain a Data Availability Statement providing additional information on access and persistence.

☒ Yes

No

I acknowledge that all data sources are cited and referenced in the manuscript as per AEA guidance (<https://www.aeaweb.org/journals/policies/sample-references>).

☒ Yes

No

Please see the AEA Data Legality Policy (<https://www.aeaweb.org/journals/data/data-legality-policy>) and select one of the options below.

To the best of my knowledge, all data used in this manuscript are legally acquired. (Note: Leaked or stolen data, even if sold or made publicly available by third parties, may be considered "not legally acquired.")

*** IRB Approval**

*** Was this research approved by an IRB?**

No

If No, Specify reasons

Not human subjects research.

*** Randomized Control Trial Registry**

*** My paper uses a randomized control trial that I have registered in the AEA's RCT registry.**
